House blessing

It is a wonderful Orthodox Christian practice to invite the priest to bless your new apartment or home. This can be done either before you move in or after you are settled.

The priest will conduct a brief prayer service after which he will bless each person in your family and each room of your house with Holy Water.

We read in Revelation 3:20, „Beh c
knock: if any one hears my voice and opens the door, I will come in to him and eat wit
beautiful picture of what Christ wants to do when we move into a new home or apartment. He wants us to open the door to let Him come in to bless us. He wants to stay and fellowship with us a very intimate way as expressed through eating and drinking together.

Another vizit for blessing the house is made by the priest each year at Epiphany, on January 6.

This is what we do when we invite the priest to bless us and our new home; we open the door to let Jesus come in. If we have a new icon for our home, we shall give it to the priest at church for the formal blessing. In addition to the blessing received, such a home visit by the priest will afford your children an excellent opportunity to get to k now the parish priest as a dear and personal friend in Christ. It will also teach them that Orthodox Christians seek God's every important venture in life.

I shall never forget the t
very small child, a pastor visited in our home. His presence was so impresive that today, 45 years later, I can still describe where he sat. I do not remember the words he spoke, but I remeber his presence. Our family must have been very important for him to visit

Recycling for a clean environment

We long for the clean air, the food and water that we had back when we were little in the villages and cities where we grew up.

We see and feel the polluted air around us now. That ' s w h y w e w o u s e p a r t i c i p a t i n g i n k s p e c i a l bags the recyclables: plastic, glass and paper. This way we can help protect the nature that God intended to be " good " .

Dialog with the faithful

The Canon for Confession. After the confession, the priest usually recommends following a canon that includes prayers, Bible readings, prostration, candle lighting, giving alms, charity acts, Holy bread, etc.

The priest will never give a canon that he thinks the faithful cannot follow, but completing the canon is necessary for the forgiveness of the sins.

Some believers do not complete their canons, bringing different excuses. What is even worst, they do not go to the priest to get advice about not fulfilling their canon.

The answer to this church work-the canon of the confession- is the following:

The canon has to be fulfilled as was directed by the priest. You have to listen. The faithful has to try hard to accomodate the fulfillment of the canon to his daily life: a trip, work, health issues, etc.

In the extreme case that a person cannot do his canon and he doesn't know what has to talk to the priest (on the phone, in person, etc) and the priest will clarify how to fulfill the canon in that particular situation, for the well-being of the faithful. In no way should the faithful decide how to do this, or go to another priest to confess. The forgiveness of the sins is a big work done by God. What the priest gave initially cannot be undone by somebody else, unless in extreme cases, when he cannot be reached anymore.

To speed up the construction of the new church, at the Annual Parish Assembly held February 4th, 2007, a motion was approved to increase the monthly goal donations to \$5,000.

The Parish Asembly on January 31, 2010, decided to pay off the mortgage, final sum of aprox. \$42,000.

How do we use the money from the Building Fund?

Out of the \$5,000 monthly goal donations
< \$1,056 monthly mortgage payments for the house
< the reminder is deposited in two savings accounts (acct #8185, and #5442).

The next step is accomplishing this great project, and this requires substantial donations. The Comitee will prepare folders about our project that anybody can take and show their friends and coworkers, to raise funds.

*** Sunday, July 12, 2009 Fr Gherman, Dorel Stroie, Radu Lupu, erban Constantinescu members of the Building comitee, and Petru Radu went to our land and studied the possibility of building a pavilion and a parking lot to be able to organize future picnics there.

An honest advice

The parish priest seriously recommends the contribution to the Building Fund to all that spiritually belong to the Buna Vestire church, as a moral obligation and spiritual respect towards the Church where they asked and received Holy Sacraments.

The Church is not like a social club or a cultural organization with a membership fee, It is the place for the beginning (birth) and ending(death) [~ Á ^ ç ^ i ^ Á (process of salvation. We would like to be able to build the new church with the help of those mentioned above.
