Prot. Ion Gherman.

Soon the snow brought by winter will be gone. The grass will grow again; the chipmunks will play again in the sun, the frogs, the bears and the other animals will be awakening from hibernation. The first spring flowers will emerge blooming through the snow and trees will be covered in buds. Earth returns to life.

But what cause the earth to go back to life? Of course, it is the spring. But what is the secret that makes the land go back to life? The great secret of spring is the sun! Spring is in the midst of the earth that changes its position of returning to the north where there is heat and light source, ie the sun.

The fact that Lent, in Nordic climate, is going to coincide with the spring is significant. We believe that this happy coincidence is a beautiful lesson for us. Lent must be for all of us the time in which the best things can happen to everyone.

This is the time of the presence of Christ – the Sun of Justice and Love in our lives – which with his power of shining over the soul, awakes the soul to life, bringing a real spring in it.

Lent must be for all of us the time of return toward the Power Source, Christ, who is called also the Sun of Righteousness. So this is about return to a new life by fasting, prayer, reading of religious books, attendance at Holy Mass and receiving the Sacraments.

In the religious Holy Book of Lent, Triodion, this time is called "spiritual spring" which grows the "fruit of the Holy Spirit ... love, joy, peace, patience, kindness, goodness, faithfulness, gentleness and, cleanliness. (Galatians 5 : 22).

Fr. Ion Gherman

Dialog with the faithful

Saturdays Memorial. Orthodox Christian Faith
 Saturdays Dead consider openly and very seriously
 the reality of death. In the Orthodox Christian
 calendar Saturdays Memorial are significantly marked
 each year, better opportunities to think about death
 and of our dead. They are all marked in our Orthodox
 Calendar. Our Saturdays are ordained to be days
 requiems in memory of loved ones. We pray on
 Saturdays especially since it was Saturday when
 Jesus Christ the Savior has lain in the grave "resting
 of all his things" and thereby "killing the death with
 death. So, in the New Testament, Sabbath became
 the true days for remembering the dead and offering
 prayers for them.

Death can take our loved ones from us but certainly
 cannot take them from our minds and hearts. We
 continue to love and to think of them, as we believe
 they still love us and they think of us. We pray for
 them and make them remembrance in Memorial
 Saturdays, days appointed by the Holy Orthodox
 Church.

Coliva. Our Church tradition is to bring boiled wheat
 for the requiem service as an expression of faith in
 eternal life. Jesus said, "when the grain of wheat falls
 into the earth but do not dies it remains alone, but if
 he dies brings the fruits." (John 12:24). As a new life
 rises from a grain of wheat buried, so we believe that
 the dead will rise to new life with God. The wheat
 beans are mixed with sugar and other sweet as a
 symbol of the good things in heaven.

To speed up the construction of the new church, at the
Annual Parish Assembly held February 4th, 2007, a motion
was approved to increase the monthly goal donations to
\$5,000.

Year to date monthly donations

January \$2,762	May	September
February \$510	June	October
March	July	November
April	August	December

Monthly Mortgage

2 Lots aquired June 2003. Mortgage paid in full – Jan 2008
1 Lot with house aquired January 2005. Mortgage paid in
full – Febr 2010
The Parish Asembly on January 31, 2010, decided to pay
off the mortgage, in the amount of aprox. \$42,000.

How do we use the money from the Building Fund?

Since the mortgage was paid off, all monthly donations are
being deposited in our National City Bank checking
account.
The next step is accomplishing this great project, and this
requires substantial donations. The Comitee will prepare
folders about our project that anybody can take and show
their friends and coworkers, to raise funds.

*** Sunday, July 12, 2009 Fr Gherman, Dorel Stroie, Radu
Lupu, erban Constant members of
the Building comitee, and Petru Radu went to our land and
studied the possibility of building a pavilion and a parking
lot to be able to organize future picnics there.

An honest advice

The parish priest seriously recommends the
contribution to the Building Fund to all that spiritually belong
to the Buna Vestire church, as a moral obligation and
spiritual respect towards the Church where they asked and
received Holy Sacraments.

The Church is not like a social club or a cultural
organization with a membership fee, It is the place for the
à ^ * ã } } ã } * Á Ç à ã | c @ D Á æ } á Á ^ } á ã }
process of salvation. We would like to be able to build the
new church with the help of those mentioned above.
