Currently in the church we find ourselves in the  
year of PENTECOSTAL.

Below I want to present to the readers some teachings about this liturgical time and the other two that share the liturgical year.

Jesus Christ is present in the Church through all three of his ministries: *the high priest*, who was sacrificed on the cross, is in the center of His redeeming work, *the teacher*, preaching the Gospel and *the royal leader*, which has conquered death like a king then rose and ascended to heaven, leading the Church founded by Him on earth. These three ministries of the Lord renew symbolic in three periods that the church year is divided into as:

1. The period named *Triod*, which lasts 10 weeks before Easter, beginning with Sunday of the Publican and the Pharisee; in this period, which includes Lent, renewed the high priest activity of the Savior.

2. The period named *Pentecostal*, which renews the Royal activity of the Savior, takes eight weeks from Resurrection Sunday (Easter) to All Saints Sunday, first Sunday after Pentecost.

So this is the period where we are now.  
3. Period called the *Octoih*, the renewed teaching activity of the Savior, which starts on the first Sunday after Pentecost (All Saints Sunday) and ends at the beginning of Triod period (Sunday of the Publican and the Pharisee) next year; its f w t c v k q p " k u " x c t k c d n g . of each year.

Therefore, during each liturgical year, we commemorate life and work of our Lord in all three sides of his mission: the teacher (prophet), the bishop (high priest) and the king as the conqueror of sin and death.

The most important period is His hierarchical activity. It is the center of His life in the Church and center of all religious holidays.

The period of Pentecostal, in which we are now, celebrates the time between Resurrection and Ascension in glory of God, followed by Descent of the Holy Spirit and the foundation of the Christian Church. So it celebrates the Savior as King and founder of His Church and Master of life for all believers who "come and pray with faith in His E j w t e j ö 0

## Reciclare a bunurilor pe ( aerului ) înconjur tor .

Ne amintim cu nostalgie de aerul curat , apa și hrana pe care le consumam când eram mici în localitățile în care ne-am născut și crescut.

Vedem și simțim în jurul nostru atmosferă poluată. De aceea dorim să începem separarea în pungi speciale a lucrurilor aruncate la gunoi: plastic, sticlă, hârtie. Participăm astfel la îngrijirea naturii pe care Dumnezeu a făcut-o la început "bună".

## Recycling for a clean environment

We long for the clean air, the food and water that we had back when we were little in the villages and cities where we grew up.

We see and feel the polluted air around us now. That's why we would like to start separating in special bags the recyclables: plastic, glass and paper. This way we can help protect the nature that God intended to be "good".

# BISERICA NOU --- PROJECT --- NEW CHURCH

## Comitetul de Construc ie

Pr. Ion Gherman  
Șerban Constantinescu  
Radu Lupu  
Teodor Stroie  
Alexandru Suba

În consultare cu Consiliul Parohial și alți membrii ai Parohiei.

Pentru a urgenta începerea lucrărilor de construcții, la Adunarea Parohială din 4 Februarie 2007 s-a propus și votat ca ținta lunară de donații pentru Fondul de Construcții, suma de \$5.000.

## Dona iile primite în acest an

Ianuarie \$2.762	Mai	Septembrie
Februarie \$510	Iunie	Octombrie
Martie	Iulie	Noiembrie
Aprilie	August	Decembrie

## Rate lunare:

2 Loturi cumpărate în Iunie 2003 - Achitate Ian. 2008  
1 Lot cu casă cumpărat în Ianuarie 2005 – Achitat febr. 2010

## Cum folosim banii dona i la Fondul de Construc ie?

Având în vedere ca împrumutul pentru teren a fost plătit în întregime, toate donațiile lunare se depun în contul checking pe care îl avem cu National City Bank.

Pasul următor este ducerea la îndeplinire a acestui mare proiect care necesită donații substanțiale. Comitetul va pregăti dosare, cu proiectul nostru, pe care fiecare credincios le poate lua și arăta cunoscuților și instituțiilor unde lucrează pentru strângere de fonduri.

Miercuri 21 Aprilie Părintele Ion Gherman împreună cu D-nii. Radu Lupu și Alexandru Suba s-au prezentat la Olmsted Township pentru întâlnirea cu „Board of Zoning Appeals” pledând pentru aprobarea construirii noii biserici pe lotul cumpărat și deja plătit de pe Sterns Rd. Era nevoie de obținere a permisiunii așa zisă „Conditional Use” întrucât lotul nostru se află într-o zonă rezidențială nu comercială. Mulțumim și pe această cale D-lui Radu Lupu pentru întocmirea scrisorilor necesare pentru acest demers.

## Un îndemn sincer

## Building Committee

Pr. Ion Gherman  
Șerban Constantinescu  
Radu Lupu  
Teodor Stroie  
Alexandru Suba

In consultation with the Parish Council and other Parish members.

To speed up the construction of the new church, at the Annual Parish Assembly held February 4th, 2007, a motion was approved to increase the monthly goal donations to \$5,000.

## Year to date monthly donations

January \$2,762	May	September
February \$510	June	October
March	July	November
April	August	December

## Monthly Mortgage

2 Lots acquired June 2003. Mortgage paid in full – Jan 2008  
1 Lot with house acquired January 2005. Mortgage paid in full – Febr 2010

## How do we use the money from the Building Fund?

Since the mortgage was paid off, all monthly donations are being deposited in our National City Bank checking account.

The next step is accomplishing this great project, and this requires substantial donations. The Committee will prepare folders about our project that anybody can take and show their friends and coworkers, to raise funds.

On Wednesday, April 21, Fr. Ion Gherman, Radu Lupu and Alexandru Suba attended the Olmsted Township - Board of Zoning Appeals monthly meeting. On the agenda was our request to approve the CONDITIONAL USE for our lot that is located in a residential area. At that meeting the Board of Zoning Appeals approved the Conditional Use for our lot.

## An honest advice

The parish priest seriously recommends the contribution to the Building Fund to all that spiritually belong to the Buna Vestire church, as a moral obligation and spiritual respect towards the Church where they asked and received Holy Sacraments.

The Church is not like a social club or a cultural organization with a membership fee, It is the place for the à ^ \* ā } } ā } \* Á Ç à ā i c @ D Á æ } ā Á ^ } ā ā } process of salvation. We would like to be able to build the new church with the help of those mentioned above.
